Eligibility

UMDF reserves the right to revoke exhibit privileges based on intellectual property violations, unfair trade practices or other activities in the industry deemed illegal, unethical or contrary to the best interests of the UMDF.

The purpose of the UMDF's exhibit program is to enhance the registrants' knowledge of Mitochondrial Medicine by providing access to information on products and services related to their professional interest. The UMDF reserves the right to refuse applications for exhibits which do not serve those interests.

Liability and Indemnification

Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend, and hold harmless the United Mitochondrial Disease Foundation (UMDF), Hilton Downtown Cleveland, and their directors, officers, employees, agents, parents and subsidiaries against all actions, claims, losses, and damages to persons or property. In addition, UMDF and Hilton Downtown Cleveland, their directors, officers, agents and employees, separately or collectively, will not accept responsibility for any damage to, or the loss or destruction of, an exhibit or the property of an exhibitor, its agents or employees, or the death or injury of any person employed by exhibitor or for whom exhibitor is responsible or over whom exhibitor has control from fire, theft, accidents or other causes of any kind. All claims for any such loss, damage, destruction, death, or injury are expressly waived by exhibitor.

Marketing

Use of Space-General

All marketing activities of each Exhibitor must be confined to the Exhibitor allotted booth space. Exhibitors expressly agree not to hold any activities that in the sole opinion of the UMDF, will compromise the experience of our conference attendees.

The direct sale of merchandise, including food and beverage for cash or credit is prohibited. Exhibitors are permitted to display and promote their products and services **ONLY** in designated exhibit areas or as a pre-approved part of specific conference sponsorships. Exhibitors are prohibited from planning, sponsoring, underwriting or paying for any non-UMDF activity that involves conference participants and consumers, unless previously agreed upon as part of a specific conference sponsorship.

Audio-visual and other sound and/or attention getting devices will be permitted in those locations and of such intensity as, in the opinion of the UMDF, do not interfere with the activities of neighboring Exhibitors.

No entertainment, meetings, tours, special events, hospitality suite functions or other private functions will be permitted during any Mitochondrial Medicine 2024 activities. Exhibitors who are not in accordance with this rule may lose their privilege of exhibiting at this or future UMDF events.
